

So you're a
Reliv Master Affiliate...

**what's

The Key to Reliv Success

Congratulations on becoming a Reliv Master Affiliate! You're now qualified to:

- Order product at a 40% discount
- Earn maximum retail profit
- Earn maximum wholesale profit
- Earn bonuses and trips
- Generate overrides and build residual income

Now YOU have the key that opens the door to the Reliv Director program. Simply help someone else become a Master Affiliate and you're on your way!

It all starts with answering two simple questions:

Who's Next?

What's Next?

Answer these questions — every day — and you'll see unlimited growth in your Reliv business.

Think of it this way: your job as a Reliv MA is to go out and make new friends, make better friends out of the ones you already have and help all your friends succeed. This makes building your business a whole lot of fun — and it works!

Who's Next?

Reaching any Reliv goal starts with reaching out. Reliv is a people business — the more people you have using Reliv products and starting their own Reliv businesses, the more your business grows.

Customer Profit: You earn up to 20% on sales to Preferred Customers.

Retail Profit: You earn up to 40% on sales to customers.

Wholesale profit: You earn 5-20% on sales to non-MA Distributors.

Overrides: You can earn a percentage of volume generated by your downline MAs at five levels.

The Road to PD

The Road to Presidential Director is your path to financial freedom. Presidential Director represents a solid six-figure income and the chance to live life on your own terms. And each stop along the Road to PD offers its own benefits — **you get rewarded as you build your future!**

Directions:

1. Locate where you are on the Road to PD.
2. Ask yourself: What's next?

Once you have identified your next business goal, you can start taking the steps to achieve it.

The key to advancing along the Road to PD is to never stop reaching out to new people and building your business, even as you hit new levels. Don't compare yourself to other Distributors — focus on your own business and you'll get there.

Star Director Bonus Program

The Star Director Program is Reliv's override income accelerator. Active Master Affiliates who personally sponsor Distributors who reach MA can increase their monthly overrides at every generation level. **So the work you do now could give you a permanent pay raise!**

Here's how it works:

3-Star

Qualification: Personally sponsor three people who reach MA.

Reward: You are now eligible for an additional 1% override on the volume of all lines.

6-Star

Qualification: Personally sponsor six people who reach MA.

Reward: You are now eligible for an additional 2% override on the volume of all lines.

10-Star

Qualification: Personally sponsor 10 people who reach MA.

Reward: You are now eligible for an additional 3% override on the volume of all lines.

NOTE: Star Director Bonuses can always be earned on the first level — and can be earned on every level until a downline Star Director qualifies to earn the bonus. The example above shows the override earning potential with no additional Star Directors in your lines.

When we studied Reliv's compensation plan, we immediately targeted 10-Star Director as a goal. We knew it was one of the keys to developing long-term residual income. Now our Star Director Bonus alone averages \$10,000+ a month.

Ambassador Program

Ambassadors carry Reliv's mission to Nourish Our World across the globe. This invite-only program asks successful Distributors to mentor aspiring business-builders and represent the company at special events. Reliv rewards these efforts every step of the way — with exclusive travel opportunities, bonuses and other incentives.

Reaching Ambassador for me means freedom. I had lost my job and was about to lose my home when I found Reliv. Now I'm getting paid to help other people who are looking for an answer like I was — and I'm enjoying all the trips, bonuses and lifelong friendships along the way!
