HOW CAN I HAVE THE OPPORTUNITY TO EARN RTP BONUSES?

- Personally advance to a new level in the OneReliv Road to Platinum from your prior rank.
- Promote a new First Level SD, MD, or PD during the requalification period.
- Produce a minimum of 10,000 New PGPV (12 months combined) during the requalification period.

DO I HAVE TO REQUALIFY FOR THE OPPORTUNITY TO EARN BONUSES ON RTP EVERY YEAR?

YES! To maintain your Monthly Bonus each year, a Distributor must complete any one of the three achievements below during the requalification period for subsequent years:

1. Personally advance to a new level in the OneReliv Road to Platinum from your prior rank.
2. Promote a new First Level SD, MD, or PD during the requalification period.

Produce a minimum of 10,000 New PGPV (12 months combined) during the requalification period.

WHAT IS THE REQUALIFICATION PERIOD?

February 1st of the current year to January 31st of the following year.

CAN I QUALIFY FOR THE OPPORTUNITY TO EARN A RTP BONUS ANYTIME THROUGHOUT THE YEAR?

YES! The month you meet the qualifications, you have the opportunity to begin earning bonuses the following month. For example: you meet the qualifications in May, you have the opportunity to earn bonuses in June.

DO I EARN BONUSES AT MY PAID AT RANK OR MY TITLE RANK?

You earn bonuses on your paid at rank.

For example, if your earned rank title is Master Director but your monthly earnings are less than \$4,000 but greater than \$2,000 you have the opportunity to earn a bonus at the Senior Director level as long as you have met the monthly qualifications for bonus as stated on the OneReliv Road to Platinum Director "illustration".

HOW DO I KNOW WHAT MY TITLE RANK IS?

Your title rank is listed on your commissions statement

1. Log into reliv.com with your RCN
2. Click My Account > Statements > Summary

IF MY EARNED RANK TITLE IS AT ONE LEVEL AND I HAVE BEEN PAID AT A RANK LEVEL BELOW, BUT I INCREASE MY MONTHLY EARNINGS TO MY EARNED RANK TITLE – DO I HAVE TO DO THIS FOR 2 CONSECUTIVE MONTHS TO HAVE THE OPPORTUNITY TO EARN BONUSES AT MY EARNED RANK TITLE LEVEL?

NO

For example: if my rank title is Presidential Director and I have been getting paid at the Master Director level, and my monthly earnings one month are at the Presidential Director level, I can earn the bonuses offered at the Presidential Director level if I meet those qualifications (even if I haven't had Presidential Director earnings for consecutive months).

WHO CAN EARN A ONE-TIME ADVANCEMENT BONUS?

Everyone!

Director and Key Director after meeting the qualifications listed on the "illustration"

Senior Director and above after meeting the qualifications 2 consecutive months on the "illustration"

If you have a current rank title with Reliv that is Senior Director or above, you can earn a one-time "get back" bonus when you meet the qualifications listed under your rank title.

For example: if your rank title is Presidential Director, and you are getting paid at the Senior Director level, once you meet the qualifications listed under Presidential Director for 2 consecutive months you can then earn that \$4,000 one-time advancement bonus.
