

Energy/Electrolyte-Replacement

Refresh. Restore. Replenish.

Whether you're working out or working in the yard, Innergize! is a refreshing electrolyte-replacement drink that can help you feel restored and replenished.

- Precise blend of vitamins, minerals and carbs to help prevent dehydration and restore energy
- Balanced electrolytes replenish cellular hydration
- Amino acids **release energy** and preserve lean muscle
- Digestive enzymes and herbs reduce bloating and support metabolism
- Antioxidants protect cells from exercise-induced oxidative stress

Formulated with ingredients like ChromeMate® and OptiZinc®, the most readily absorbed forms of chromium and zinc available. Choose from two great flavors – lemon or orange.

After a long day of yard work or a tough workout at the gym, Innergize is my go-to for energy and hydration!

— Chris E.

Proven Effective: A daily regimen of Reliv Classic® and Innergize! may help reduce fatigue in cancer patients. View the study below.
