# reliv rewards

**Who gets to hear about Reliv today?** Your business grows only when you share Reliv with others. Make a list of all the people you're going to talk to about Reliv — and never stop adding to it. Each person on your list knows many more people. If someone's not interested in Reliv at the time, ask them to suggest someone they know who might be.

Sponsoring increases volume and is the fastest way to grow your Reliv Business.
