

BURN

Product Highlights

Ignites an active metabolism to assist in burning fat as part of a healthy diet and exercise.

- Green tea & fruit extracts ignite an active metabolism
- Garcinia Cambogia Extract enhances appetite control
- Caffeine-free – no stimulants

Take two capsules every morning to assist in burning fat and promote a healthy weight when combined with good nutrition and exercise.

One of the things that I absolutely love about Burn is that it ups my metabolism and gives me a boost of energy for my daily workouts.

— Chandler N.

WHAT TO SAY

The before and after weight loss and fitness results on social media are so inspiring! When you add Burn into your healthy diet and exercise routine it ignites an active metabolism and assists in burning fat throughout the day.

- Synetrim® CQ extract reduces the absorption of dietary fat and starch to support weight loss and improve metabolic health
- Greenselect® Phytosome Green Tea (leaf) extract is a caffeine-free antioxidant that supports weight loss by increasing fat oxidation
- Careflow® Mango (fruit) extract supports metabolic and cardiovascular health, improves energy, muscle strength and may reduce inflammation related to exercise and activity
- Garcinia cambogia (fruit rind) extract ignites an active metabolism and promotes healthy weight loss through appetite control and reduced caloric intake
