GLUCAFFECT®

Product Highlights

GlucAffect has been clinically shown to help maintain healthy blood sugar levels and support weight loss.

- A groundbreaking and patented nutritional approach to blood sugar support
- Clinically proven to target multiple symptoms of metabolic syndrome
- Enhanced with Omega 3 fatty acids and LunaRich to promote cardiovascular health and healthy cholesterol levels
- Unique combination of Pycnogenol, CoQ10 and cinnamon work synergistically for maximum health benefits
- Cinnamon Cream flavor

We have noticed that GlucAffect really helps reduce our sugar cravings and it tastes amazing!

— Robert & Christine L.

WHAT TO SAY

”

If maintaining healthy blood sugar levels and a healthy weight are always top of mind, then you NEED GlucAffect. No other supplement comes close to matching the combination of cutting-edge ingredients found in this clinically proven product.

- In an 8-week clinical study of overweight individuals with elevated blood glucose levels, subjects taking four daily servings of GlucAffect® lowered their fasting blood glucose by an average of 30% and lost an average of nearly 16 pounds
- Perfect addition to your coffee, tea or Reliv shakes
