

TARGETED SOLUTIONS

INNERGIZE!®

Product Highlights

Whether you're working out or working in the yard, Innergize! is scientifically designed to help you perform your best.

- Precise blend of vitamins, minerals and carbs help prevent dehydration and restore energy
- Balanced electrolytes to replenish cellular hydration
- Amino acids to release energy and preserve lean muscle
- Antioxidants protect cells from exercise-induced oxidative stress
- Available in lemon and orange, or lemon-lime ice with 60% less sugar

After a long day of yard work or a tough workout at the gym, Innergize is my go-to for energy and hydration!

WHAT TO SAY

Looking for an electrolyte-replacement that helps you work out longer and more effectively without getting tired? Innergize! is your solution and will help replenish you whether you're working out or just working out in the yard.

- Blend of vitamins, minerals and carbohydrates to help prevent dehydration and restore energy
- Vitamins C and Vitamin A — including beta carotene protects cell membranes against damage
- L-Carnitine and L-Glutamine help transport fatty acids to release more energy and promote lean muscle development
- Balanced level of sodium and potassium support muscle exertion without cramping and perspiration without salt depletion
- Lemon Lime Ice is a lower sugar option with 60% less sugar than other flavors
